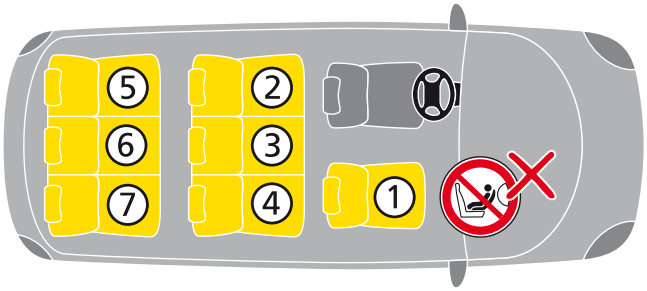
Maxi-Cosi Pebble / Pearl+FamilyFix car fitting list

Isofix



1 2 3 4 5 6 7

Maxi-Cosi FamilyFix can be used with Isofix
on seat 1, 2, 3, 4, 5, 6 and 7.

The Maxi-Cosi FamilyFix is a “semi-universal” base for the Maxi-Cosi Pebble and Maxi-Cosi Pearl. The Maxi-Cosi FamilyFix is suitable for installation on specific seats in the listed cars only. However, this list is subject to permanent changes and additions. For an up-to-date version of the Maxi-Cosi FamilyFix car fitting list, visit www.maxi-cosi.com.

The Maxi-Cosi FamilyFix can be attached to the IsoFix anchor points, always together with adjusted support leg. All IsoFix related subjects are marked yellow on both the Maxi-Cosi FamilyFix and this car fitting list.

Diagrams refer to a left hand drive vehicle.

Maxi-Cosi Pebble+FamilyFix: Do not use on passenger seats equipped with airbags.
Maxi-Cosi Pearl+FamilyFix: This child car seat can be used on either the front seat or rear seat, even if equipped with an airbag. However, we recommend installing the seat on the rear seat. If this is not possible and the front seat is equipped with an airbag, make sure the seat is in the rearmost position.

Storage compartment:
- Never rest the support leg of this isofix product on the lid of a storage compartment on the vehicle floor.
- In case of a storage compartment, please consult your car dealer for information about a filler piece (e.g. available as a Volkswagen accessory, part number 000.019.720)

Disclaimer
The list of car makes was compiled with the greatest of care. Nonetheless, Maxi-Cosi accepts no liability whatsoever with regard to any inaccuracies. For more information, contact your retailer. If possible at the time of purchase, check to make sure the car seat can be installed in your car.
